Throughout our busy summer season, Riverview Park and Zoo collaborates with multiple community groups to throw fun, educational events in the conservation exhibit located in the Dobbin Building (aka the old "Monkey House").

Our Conservation Exhibit is free for all to attend, and includes interactive games, touch tables, and additional animal exhibits such as frogs, turtles, salamanders, and even a blue racer snake!

Drop in for a visit to beat the heat or after taking a ride on the miniature train. Open throughout July and August from 10:00 a.m. to 2:00 p.m. on Tuesdays, Wednesdays, and Thursdays.

One of our zookeepers will be on hand to tell you more about these amazing animals, their adaptations, diets and animal care, as well as their enrichment and training here at the Park and Zoo.

Meet the Keeper

Date and Time: Thursday, July 31 2:30 pm

Address: 1300 Water Street N, Peterborough ON K9H 7G4

Weekdays at 2:30 p.m., join our "Meet the Keeper" sessions. One of our educators will assemble outside of an animal exhibit to tell you a little more about the species and be happy to answer your questions.

A different animal is featured each day of the week -- by far, your best way to learn about the animals here at the zoo! **On Thursdays**, we'll be highlighting our **squirrel monkeys**, unless upon consultation with our Animal Care team in the morning an alternate animal is suggested.

Watch for signs to be posted at Guest Services and throughout the park for further details!
